Dear Mr. Ockens:

My further survey (following up on my letter of June 26) of Sylvia Meagher's book is completed.

I have the following points on the galleys:

Page 6 middle - typo- word should be "motorcade", r is missing.

Page 9A middle - I think the reference to Congressman Ford (a friend of mine) is unfair. The words "to the taxpayer who paid the bill" at the very least goes too far.

Page 9A footnote 13- Does this fit the text?

Page 16A footnote 7 - doesn't tell you anything.

Page 18A - Insert should be footnote 14 not 13.

Page 19A near bottom - Are you sure this is an original sound track and not a dub?

Page 19A bottom - something is missing.

Page 21A top- something is missing before the transcript.

Page 21A - You have several transcript passages together without sufficient indication. Put a line like this \_\_\_\_\_ between them.

Page 24 - Third paragraph from bottom - typo- "evaluation".

Page 30 middle-Jenner- typo-"if" not "is".

Page 49A - typo after footnote 7 "face" not "case"

Page 93 - below middle typo- Gopadza (Secret Service  
Interpgetex).

Page 110A - Make clear the difference between Congressman  
Ford and Mrs. Katherine Ford.

Page 123-typo- near bottom "detailed".

Page 168A - Why not go further into the restrictions  
on the x-rays and photos and the fact that Burke Marshall  
replies as he does etc. See my statement in Congressional  
Record of April 13, 1967, at page H4113 et seq.

When is publication? Will Sylvia say something about  
the four hour CBS show?

Best regards.

Sincerely yours,

Theodore R. Kupferman, M.C.

P.S. At Sylvia's request, I'm returning the Galley book to her  
directly.
