The Kupfermans can be found on a hill in a red brick, green base house off Lakeside Drive about one half mile beyond and alongside the Holiday Hills Y.M.C.A. in Pawling.

When you get to Pawling on Route 22, coming from New York City, you turn left, pass the Dutcher Golf Course and go through the town, over and alongside the railroad tracks and up the hill to the Y.M.C.A., then alongside the Y.M.C.A. on Lakeside Drive until you see the hill on your left. After you see the house, you turn left and go up.
