Dear Sylvia:

Thank you for your letter of March 18, and I am sorry that I have been tied up and not replied to the various items which you were kind enough to send to me.

I do want to see you in the near future to tell you about my trip through Micronesia, which was most interesting.

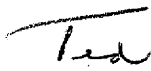

I wrote a series of articles on it in Town and Village, the local newspaper.

I certainly will continue my interest in the situation surrounding the Warren Report and also in the Trust Territories.

I hope all will continue to go well with you and that you will keep me advised of the work that you are doing.

With best regards.

Sincerely yours,

Theodore R. Kupferman, M. C.
