Representative Theodore R. Kupferman
U. S. House of Representatives
Washington, D. C.

Dear Ted,

Many thanks for your letter of the 28th of March. I will look forward to hearing about your visit to Micronesia and hope that you will be at the Trusteeship Council again this year.

I would be grateful if a member of your staff could send me some information about the Senate Sub-Committee on Administrative Practice---its membership, functions, and any recent report it may have issued on its work.

Warm personal regards,

Sincerely yours,
