
March 14 51.

2.A.M.

Sylvia:

just a short note to thank you ever so much for your good letter of March 10 - It has revived my confidence! I was so glad to read about your new informations!

Then, indeed, "the slut but the fan" with Russo's testimony. In fact, I've been up at "Revue 1952" most of the night to write a long commentary about it all. Anything new you have, please let me know.

as ever,

best,

Phil
