Dear Mr. Lane:

Yesterday afternoon I learned indirectly, through Mr. Sahl's program, of your anger over the altered reference to Jim Garrison in ACCESSORIES AFTER THE FACT. I have written Mr. Sahl about the circumstances of that alteration and enclose a carbon copy which outlines the background.

I regret greatly that this problem exists, and would like to resolve it to your satisfaction. Would you please get in touch with me so that we can discuss it further.

Regards,
