Dear Mrs. Jordan,

Thank you for your kind words about my book, which I really do appreciate very much.

I am sorry to tell you that the Subject Index, which was published by The Scarecrow Press in March 1966, is now out of print and no longer available from any source. I hope that you will not be too disappointed, as this is purely an index, and is useful only to those who have the 26 volumes of the Hearings and Exhibits.

With kind regards,

Yours sincerely,
