Dear Sylvia:

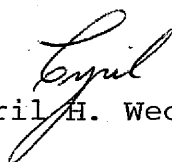

Thank you for sending me copies of recent reviews of your book and Tink's. I am delighted to learn that you have been receiving such good comments from so many quarters, and I shall look forward to the review in Playboy magazine in February.

I would like to take this opportunity to tell you how much I have enjoyed your book. You really have done a fantastic job, and it is a delight to follow the clear, logical, detailed, and scientific approach in your dissection of the overall post-assassination investigation and the Warren Commission Report.

I shall look forward to talking with you the next time I get to New York; hopefully, time may permit our getting together for a brief chat. I am anxious to learn of any new developments.

With kindest personal regards and best wishes for a Happy Holiday Season.

Sincerely,

Cyril H. Wecht, M.D., LL.B.
