Mr. John Wentworth
2146 Lily Pond Drive
Falls Church, Va. 22043

Dear Mr. Wentworth,

Thank you for your postcard. I do appreciate your comments on my book. Just a brief clarification: "dusting" in the context of Studebaker's remarks refers to dusting with fingerprint powder, to raise latent prints on the paper. It is police lab terminology, which perhaps I should have explained in the text.

With kind regards,

Yours sincerely,

Sylvia Meagher
