Dear Sylvia,

It was very thoughtful of you to send me a copy of The Book. (I would have acknowledged it at once, but I was in the throes of moving to the above address.) It is a magnificent piece of work, and Sauvage's fine introduction is no exaggeration. I am impressed anew with the incisive reasoning and the lucid presentation of this extremely complex subject. Your foreword is a powerful summation. You can be proud forever of this contribution to the cause of justice and truth.

I am not reading much these days, but I shall watch for the reviews of this with the keenest curiosity.

Thank you again. With best  
wishes to yourself and Alegra,

Isabel
