Dear Miss Meagher:

A subject index for the Warren Report on Hearings and Exhibits is a very valuable idea but there are two reasons why we cannot help you: 1, we publish only those things that emanate directly from our own program here, and 2, we don't have any money.

I don't really know what kind of publisher would be interested in doing this kind of publication but you might just try Oceana Publications, which does a good many legal books. The office is in Dobbs Ferry, New York.

I hope you will be successful in finding an outlet.

Sincerely,

Edward Reed
Director of Publications
