Dear Miss Meagher:

In the weeks since the receipt of your letter of September 8 I have been speaking to such informed people as I can reach to see if I could come up with some advice for you. As newly installed in this office, I have felt the need to consult others. The answer seems to be that this Association, staffed as it is, has little experience in supporting projects like yours and cannot at the moment be of help.

I hope you are having more success with your inquiries in other directions.

Sincerely yours,

*Paul L. Ward*
