

18 January 1968

Mr. David Lifton
11818 $\frac{1}{2}$ Dorothy St
Los Angeles 90049

Dear David,

I very much appreciate your letter of the 11th and I am ready to put our misunderstandings behind us. I will not write at length because I am in mourning for my father, who died on Monday this week. But I did not wish to allow your very nice letter to remain unanswered or my appreciation unexpressed. With friendly regards,

Yours sincerely,
