Dear Mr. Arnoni,

In a recent letter, Sylvia Meagher suggested that I send you copies of some recent correspondence I have had with Ed Epstein regarding his New Yorker article on the Garrison investigation. Enclosed find my letter to him of 8/6/68, my letter to him of 8/23/68, and the 9 page commentary dated 8/21/68. (The first item, my letter of 8/6/68, was written in a totally impromptu fashion and is more profusely studded with typos, etc. than the other material.)

Last week, I spoke to officials at Sighttext Publications and requested that they send you a review copy of Document Addendum to the Warren Report. I hope you have received this by now. Could you check the enclosed post card if this is the case? Thankyou.

Sincerely yours,

David Lifton
