Dear Sylvia,

Enclosed find the list I promised to send in my last letter.

All the material was sent third class mail and, I think, most of it arrived sometime in the last ten days.

I have been away from my correspondence for a few weeks. I am, at present, answering Fensterwald's request that I join that group.

Of course, I cannot and will not do so, and as soon as I complete my reply to him, I will send you a copy.

Best wishes,

David
