Dear David,

I have made up the attached "Chronology" on Charles Givens for you in the hope that you will give this the strongest possible treatment in your ms. It should, of course, be used in conjunction with the section on Givens in Accessories. I hope it will be useful.

Hastily,

PS Hope you don't think I am fixated
on Givens — but it is a well-
documented prima facie case of
perjury, subornation of perjury,
collusion in perjury, in which
the WC the FBI and the DP
can all be nailed.
