

Nov 10, 1969

Dear Sylvia,

This covers transmittal back to you of all documents which you sent me under date of Oct 31, 1969 and Nov 1, 1969.

Addressing myself to the list I sent you in my letter, everything on the list is in the return package to you, arranged in order of ascending CD #, with the exception of the following documents which you did not send:

1) CD ~~5~~ 5:

pp 5-6, 8-10 (as you pointed out, in GAI-SS file)

pp 90 -91, 96-98, 103, 117

2) CD 735: p269-270

The above information is inconsistent with your two transmittal letters of 31 Oct 1969 and Nov 1 1969 in these two respects:

1) CD 735, p 297 Your Nov 1 1969 letter says "still missing". In fact, you sent it.

2) CD 5, p 103 ~~XXXX~~ Not sent. (Your letter of Oct 31, 1969 fails to reflect this, under your list of "exceptions".)

Of the 139 pages "requested now", you provided 139 minus 14 pages, or 125 pages. "Already provided" were 22 pages, for a total of 147 pages.

Thanks a lot. You'll hear from me soon, and the package containing the documents will be mailed under separate cover.

Regards,

David
