

Dear David, I was in L.A Wednesday for one day, called you, and you were out. Enclosed is a quotation from "Light and Understanding", Vol. 2, special #11, August 1968.

There is a lot I wanted to say to you..but it is better not to write. We are coming to LA. over Thanksgiving vacation .Will try to keep some time open and get together with you.

Please understand, what I am sending is just as I read it. No opinions. Just knew it would be of interest for you. If any questions, call. best

can "trip" ...
These two men knew ...
of the assassination of President Kennedy, they are

only ones in America who are in the position to do it.

While in Orleans, I ran into old "cold flames" who didn't seem too pleased to see me. But the most shocking thing that I discovered while there, was the fact that the government had removed almost all traces of my having ever being in that city. But they "slipped" up, and a couple of cards were found in various agencies, that gave light to the fact that I was indeed in Orleans and that I had indeed been involved in the "underground" there.

But, things were different now. David had been murdered. Kerry was not in Orleans, but in Tampa, Kerry, you know, the crooked picture was on the cover of Life with Lee Oswald's head super-imposed upon it. Kerry had the little spider like hands and arms and narrow hips, not Oswald, just his wife. Cover-up, cover-up, that is the name of the game. Kill, kill, and kill again, all in Jesus name and the Name of God, pretending all the while that you are patriots saving America from the Communists, all the while you are planning to (and doing quite well) deprive the individual his rights and turn America into Oswald's Eight Brothers, 1984. TRUTH, that is the one thing the vast majority of Americans are afraid of. For as it is written, the TRUTH SHALL SET YOU FREE.

Since the TV Show, I have been evicted from one "good American place", and received numerous threats against my life, from these good ole patriots. Yes, it seems that the good ole patriots are the real danger to Americas Freedom. Minutemen, Neo-American Party, John Birch Society, Conservative Society of America, Sons of Liberty, these are the good ole Americans. GOD SAVE US FROM THE "GOOD OLE AMERICANS".

Well, I shan't say anymore on New Orleans or Mr. Garrison until called upon to do so. But I had been asked by numerous members to write of my view of Mr. Garrison and Associates and a thing or two about what I know. -30-

ARE YOU GOING TO ABANDON THE SURVIVORS TO DIE MORE GRAVES AND PUNISH YOU?
