Dear Vince,

Allow me to introduce Fred Newcomb.

Sincerely,

Dear Vince,

Enclosed please find a letter to Gary Schoener, the (now) Z film memo and a covering letter to Ray Marcus urging that he make available the Sam copy of the Z film, to me, so that I may complete my research.

These are the materials Ray now has, and any phone calls you have with Ray should be based on these materials.

I appreciate any help you can give me on this problem.

Sincerely,

FRED T. NEWCOMB
