Dear Mr. Lifton:

This is in reply to your letter of June 10, 1968, concerning records of the Warren Commission.

We understand the problem you raise concerning the need to obtain permission from the publisher before quoting from the transcript of the meeting of the Commission on January 27. It is our feeling, however, that the National Archives should not take any action in the circumstances which you describe. We regret that we cannot assist you in this matter.

Sincerely,

  
MARK G. ECKHOFF  
Acting Director  
Diplomatic, Legal, and  
Fiscal Records Division
