Mr. Edward Jay Epstein
39 Gramercy Park
New York, N.Y.

Dear Ed,

Attached is the draft of my letter to the editors of LOOK. I am afraid it is much too long to have any chance of publication. I have therefore separated its parts in the form of three shorter letters, one of which I will sign and send. I will ask two other people if they would be willing to sign and send the others.

I am enclosing also the drafts of the three shorter letters. Please return all the drafts, with any alterations or additions you may wish to suggest.

Hastily,

Sylvia Meagher
