Dear Bill (Val),

Two things: first, Ed Epstein will be on the Today show on Channel 4 on Friday the first of July, probably the 7:30 to 8 a.m. segment. You may wish to catch it.

Second: LOOK will be out next Tuesday with the expected attack on Inquest. Ed and his publishers asked me to write a letter to the LOOK editors and although they warned me that LOOK would print only something very short, I could not keep my rebuttal shorter than two pages single-space.

We therefore decided to break the letter up into three separate short letters, one of which I will sign and send, one which Isabel Davis will send, and we need a sender for the third letter. If you feel able to write the third letter as your own, it will be a great help. If not, please return the enclosed draft and I will try to find someone. But for heaven's sake, do NOT hesitate to say "no" if it is not convenient, please.

Best personal regards,

Hastily,
