Dear Friend of Allard Lowenstein:

Greg Stone has given me your name as someone who knew Al well and might be willing to write a letter of nomination on his behalf to the Grenville Clark Awards Committee. Several of us have already done so.

We understand that letters submitted a few days after the July 1 deadline will still be considered.

Please call me at 213-8257041 should you have any questions and please excuse the impersonal format of this communication.

Yours truly,

A handwritten signature in dark ink, appearing to read "Rick Tuttle", written over the typed name.
