Dear Sylvia,

Enclosed are copies of the documents Al submitted to the G.A. Supervisors this summer at their request.

I am also enclosing a re-print which I didn't know if you had seen. We are not releasing the documents "publicly" at this point, but I thought you should have a copy.

Al wasn't sure that you had been sent an invitation to the swearing-in in August and told me to keep trying to reach you by phone. During the time I tried, however, I missed you.

Sincerely,  
Gary Stone
