FOR YOUR RAY FILE

Enclosed is a typed version of an 87 page, long-hand set of notes made by (or for) Chief ZMagistrate Frank Milton at the June-July, 1968 extradition proceedings vs James Earl Ray. The Court was not a court of record, and this is the nearest thing possible to a transcript. Our copy was purchased from the U.S. Department of State after much effort. We apologize for errors in typing.

Sincerely yours,
B. Fensterwald
