Dear Sylvia,

I did not have an extra copy ready to send to Silvers until now, and I have just air-mailed one to ~~xx~~ him. This incorporates your corrections and some of your suggestions; plus ~~exhibits~~ ~~and~~ photos of 399 and 856, ~~and exhibits~~ and portions of Ex. 1024, 2011, Tomlinson No. 2, and my own somewhat clearer sketch of the latter. It also ~~for~~ reflects some changes in hypotheses, ~~JFK-1 and JFK-2~~ particularly JFK-1 and JFK-2, and pagination changes from 59 on.

I would like you to have a copy of this revised version, and will have one in the mail to you in the next couple of days. You can pass the original one on to Arnoni, and he can return that one to me.

I will contact the head of Newsweeks local bureau, and show him a copy before sending one to Auchincloss. If the local man likes it, perhaps he could then talk directly to A on it; perhaps A would give it more attention than just another unsolicited manuscript.

Again Sylvia, many thanks. I'm most appreciative of your generous help.

Cordially,

Ray
