

97 Beaumont St.
Newtonville, Mass.
August 16, 1967

Dear Sylvia,

I am enclosing my correspondence with Bob Richter re the Midgley incident.

I am also enclosing copies of material indicating a probable Itek/CIA link. In addition to the items included, Lindsay's secretary has privately admitted that he was in CIA.

I further enclose copies of correspondence with CBS "expert" Charles Wyckoff of EG&G.

Love from Letha and Me,
