Dear Sylvia -

Enclosed are copies of my exchange of letters with RFR.

His letter, of course is open to interpretation. But in view of the fact that the material I sent him dealt with shots from the knoll (photographs, etc.), it certainly can't be interpreted as an attempt

V-Cillin K® (potassium phenoxymethyl penicillin, Lilly)

to discourage the
critics.

Since it is now
clear that he has made
his deal (no use rocking
the boat enroute to the
White House), I no longer
feel any compunction
~~that~~ about making his letter
public. Therefore, you can
use it as you wish, private
or public.

Love,
Ray
