2.

Sylvia, I've sent you a copy of this letter to Mike because I thought you might want to use the LBJ quote in any article you might be doing. Perhaps you have this already. I had never run across it before. Reading it, I can see LBJ's attitude on forming a Warren Commission. He thought all he had to do was say "Let there be light" and lo! there would be. Silly ass.

Love, S.
