Alycia, thanks for  
the book. I agree  
with you on the  
"on our side" your  
characters. Your  
humor is you are too  
generous with  
everyone!

Because I am so upset by the implications, I  
can't fight back on the RZK allegation.  
However, let me make one reservation  
(for the record) - my intuition tells me  
to have faith in RZK. Save this card!  
If I am wrong, I'll eat it!!  
Power for power's sake is not the  
motive. If there is to be a vindication  
of the WR, then it has not been dictated  
by way of a "trade" but because it was  
a necessity. RZK is a good man -  
just as U Thant is. Let's wait & see.  
Much love, S. (onu)
