

October 7, 1966

If you are interested in who or what Lee Oswald was,  
read Sylvia Meagher's OSWALD AND THE STATE DEPARTMENT in the  
October 1966 issue of:

THE MINORITY OF ONE

Box 544

Passaic, New Jersey 07055

The above-mentioned article is in my mind the most  
definitive of all in regard to Lee Oswald, his life and times.

Sincerely,

Mrs. Mark E. Martin

Sylvia: I'm sending 50 of these out to members of Congress. I  
hope you don't mind. For two years now I've agonized  
over a way to put together this Oswald and the State D.  
testimony and depositions; but had no idea how. Your  
job is exquisite, particularly because this was a difficult  
field, scattered everywhere and needing real organizational  
writing genius to bring it into a cohesive whole.
