

Sylvia; The reason reports were prepared immediately giving
Oswald's Elsbeth address is because Lee refused to
give his present address, yet the police took off
his person his Oak Cliff Library Card. This
was a 5 year card (taken out in Dec. 1962
when he lived on Elsbeth, expires Dec. 1967).
Therefore, the police did have access to this
address & are in the clear on this.
Later in the day after Fritz had warmed Lee
up, Oswald gave his Beckley address, but
~~by~~ then Westphal's report was written.
Love, A.
