

Lydia: Please get "Jackie, Bobby & Manchester" (bedtime special 95)
 In spite of grotesque title is good book for all of
 us to read. Was struck again by author's
 use (Manchester's use) of word "tong" to
 describe LBJ & friends. Bennett goes into this on
 p. 49. Am sure Bobby Baker people responsible
 for assassination. Am encouraged now by
 Garrison. Have many hopes. How soon can I get
 much love, D. ^{you look?} (over) 4/24/67

in regard to growing tensions
 in U.S. wherever I go

Now, I am
 on the "left" for
 sure!
