

Mike will be here Sunday for
visit. We are going to re-hash
the events on 10th St. I'll keep
you posted on our conversations.
Deirdre is in Oklahoma City, &
I hope to see her before she
returns.
Harold keeps insisting that I should
judge Garrison by his enemies
(over)

not his friends.
Maybe he is
right. I am
so confused

Much love,
Write when
you can,

P.
