Dear Sylvia,

We were married here this afternoon — believe it to be the first all-critics wedding! We've moved into Tulsa. Use address on other side from now on. New phone installed tomorrow. Old phone has been cut off.

We'll be in NY on delayed honeymoon May 16-17-18-19-20.

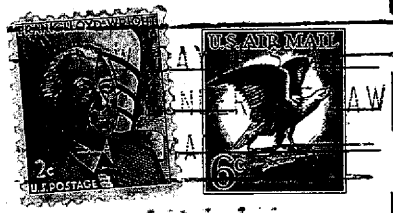

Of course we'll get together. Letter soon with details of NY commitments and itinerary.

By the way, news of our marriage is cleared for transmission on infamous HWUG (housewives' underground grapevine). Mark and Penn already know.

We both love you. See you very soon. Until then, keep well.

Love,
Shirley and Mike
