Dear Sylvia,

We get your letter last week and were delighted to hear from you. Your schedule sounds fine in every detail. We'll see you at your apartment on Friday evening, May 17th, at 8:00 p.m. We've also written to Ruth Fortel, giving her the time and place.

If for any reason there is any kind of a hitch in plans, you could write or preferably phone Mike's mother in the Bronx. We'll be staying there and in rather close touch with them during the next two weeks. Mrs. Lester's number is OL 3-0927 and she's home most of the time. The address is 3119 Fenton Avenue, Bronx, N.Y. 10469.

Until we meet, then, keep well and good luck in everything. See you soon.

With very warmest regards,

Shirley and Mike
