Dear Sir,

This inquiry relates to the assassination of President John F. Kennedy and to the Report thereon of the House Select Committee on Assassinations and the accompanying Volumes I-V Hearings and VI-XII Appendices, issued by your Office earlier this year (serial numbers 052-070).

I will be greatly indebted to you if you advise me at your earliest convenience of the number of copies printed of Volumes I-V and VI-XII and/or the number of copies sold.

This information is needed by me because I am preparing a master index of the Report and the Appendices of the House Select Committee which deal with the assassination of President Kennedy. I hope to obtain a publisher for this master index, or if necessary to publish it myself. In order to establish the size of the edition, it is vital for me to have an indication of the size of the edition published by your Office.

Your attention to my request will be deeply appreciated.

Yours very sincerely,
