

11 February 1980

Dear Mr. Eshelman,

As we discussed, I have obtained from Jeff Goldberg of the Assassination Information Bureau in Washington his mailing lists for the AIB publication "Clandestine America", devoted mainly to the JFK assassination. Jeff has made these lists available on condition that they be treated as confidential and not be disclosed to anyone outside of Scarecrow Press.

Also enclosed are two lists that I made up myself, one for review copies and the other for notices.

I would be glad if you would return all these lists to me after you have finished with them.

I do not know at what time of year the Master Index will be ready for proofreading but for your information Gary Owens will be abroad for a good part of the summer and I myself will be away for the month of July.

Incidentally, I would be glad if you would send me a catalogue of Scarecrow Press publications, if you have such a thing.

With best personal regards,

Yours sincerely,
