Dear Ms. Meagher:

I suspect by this time response to your note to Mr. Eshelman regarding sales on Master Index has been answered by receipt of your check and a brief accounting statement.

In effect, we have sold something over 300 copies, 334 to be exact, with sales escalating gradually at this point. By that I mean, the first month is always reasonably good because of subscription orders and the like, and then you have a drop off, that would have been September. October started to pick up. November continued the increase, and December was better than November. We have not yet full figures on January; hopefully it will show the continued growth.

Best regards,

Albert W. Daub
Executive Vice President
