New York, N.Y. 10014

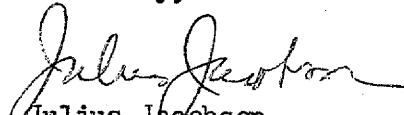

Dear Miss Davis:

I was absolutely horrified to see that we had never returned your manuscript on the Warren Commission Report. It was a piece of inexcusable negligence.

At the time we received it, it was felt that your piece was exceedingly well done. However, the editors did not feel that NEW POLITICS could devote so much space to the subject.

Again, my apologies and many thanks.

Sincerely,

Julius Jacobson
Editor
