

26 February 1968

Dr. Conor Cruise O'Brien
3 Washington Mews
New York City 10003

Dear Dr. O'Brien,

To my considerable disappointment, the Chairman of the UN Commission for Social Development, to which I am assigned at the moment, announced this morning that we were to hold a night meeting on Wednesday this week. This deprives me of the pleasure of accepting your kind invitation for the 28th, for which I thank you indeed.

With warm personal regards,

Yours sincerely,

Sylvia Meagher
