Dear Miss Meagher:

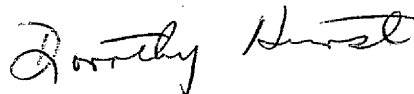

Recently you wrote Spencer Book Co., (and you will be hearing from them directly within a few days regarding the books you needed) and I obtained your address from them as I have worked for them.

I compiled the enclosed Kennedy Assassination bibliography which you may find of interest.

But, the reason I am writing you is that I personally have been unable to obtain a copy of your first book, the Subject Index to the Warren Report and wonder if you would have an extra copy which you could sell to me. Naturally, I have already tried the publisher, but they say it is out of print. If you do have a copy to spare, please send and bill and I will remit by return mail.

If you have any supply of them -- up to 20 or 30 copies, I know that Spencer Book Co., would be happy to have you quote them so they could stock the book along with their other Kennedy items.

Sincerely,

Dorothy Hurst
