Dear Sylvia—

Sorry not to have responded to your note with the film Catalog + the request for info on a radio cast. New Hampshire + Wisconsin primaries have been weighing me down.

Since the broadcast I'm sure you've seen the detailed reports in The Times. If ~~they~~ the Times report omitted something CBS included let me know—

Still hope to pursue the film idea. When breathing comes easier, I'll be in touch—

Thanks again,

Bob Ricketts
