Dear Mrs. Meagher;

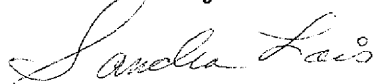

This letter is in response to your letter to Playboy Magazine, June 1968.

Please give me your opinion on the feasibility of initiating a nationwide effort, employing petitions as our tools, to have transcripts of witness's testimonies; FBI, Secret Service, and Dallas Police interrogations; and President Kennedy's murder weapon released from the National Archives to be submitted to public viewing and made available for the public's close scrutiny.

Your opinion will in no way precipitate any actions on my part, but it is of great interest to me and friends on whose behalf I am writing this letter.

Your anticipated response will be appreciated.  
We send you our sincerest thanks.

Sincerely

Sandra Lais (Mrs.)
