Dear Miss Meagher:

Recently you were kind enough to send me an announcement about your willingness to allow me to borrow the microfilm copy of your Subject Index to the Warren Report so that I can reproduce it.

I would be so happy to have this, and certainly will return it to you within the week's time limit.

A few stamps are enclosed to cover, or at least help cover, the cost of sending the pages to me.

And thank you so much.

Sincerely,

*Dorothy Hurst*

P.S. Just received your Accessories After the Fact which I ordered from the publisher, and am just overwhelmed with all the work you have put into it, and the many, many inconsistencies that you have found in the Report.
