Dear Mr. Johnson,

Thank you for your very nice and thoughtful note. It gives me a real lift to know that Accessories is proving useful to other researchers and students of the case.

I am sorry to say that I have not written another book nor even started on one. Perhaps I will, one day, but for the time being I am doing only occasional articles and book reviews, on the Warren Report or related questions.

With all goodwishes,

Yours sincerely,

Dear Mrs. Meagher,

Perhaps you remember me...I called you some months ago to talk with you regarding the Kennedy Assassination. This letter, way late, is to thank you for that conversation. Thank you.

Have you written another book? It somehow feels like you have. Could you please let me know? Thank you, again.

I use ACCESSORIES AFTER THE FACT in relation to my other materials as one would use a dictionary or encyclopedia. It is excellent.

Thank you once more,

Robert Johnson
