Dear Sylvia:

Thanks so much for sending me Conor's review and the Alastair Cooke article. I enjoyed reading both, and I shall return the Cooke to you at this time. I am reading Isaac Don Levine's book, The Mind of an Assassin, and, I must say, it is extremely interesting and rather suggestive with respect to the methodology of assassination. I am a little unsure about what necessary steps are available to us, but we want to continue exploring ways to advance the critique.

We both enjoyed very much seeing you and hope we can get together again soon.  
Regards from Joan.

Best wishes,

*Ralph*
