New York, New York

Dear Mrs. Meagher:

I would first like to thank you for taking out the time of schedule to answer my letter last March. As I told you I have been doing and still, doing resereh in the assassination. I know you have been working with a lot of "experts" but I think you will be interested in my investigation. It would be impossible to tell you all of it in this letter, so if you will please grant me a telephone interveiw I will be &nternally thankful. I can tell you that I am not just a person out for publicty, like some of the critics of the commission. I am really trying to find out the truth and spend all of my time on ~~it~~ finding the truth. I know all the top experts have tryed to prove "Conspiracy" but, they have not really proven a thing. If you will please help me in my investagation I will be very greatful.

Yours Truly,

Harry A. Yardum
