Thank you for your very lovely  
 card. It is a lovely vacation with  
 complete change - We do not talk about  
 Nixon - we talk about Pompidou -  
 And Paris is not all the peace and  
 quiet - like on the post-card - But it  
 still manages to look beautiful. Hope you  
 are well to you Barbara -

Election time - and a lot of nonsense  
 to hear from a lot of people who  
 agree with me for the wrong reasons -  
 What a vicious world, and what a  
 lovely sight Paris would be without the  
 millions of cars competing with a few  
 hideous fakes - American businessmen. We like
