Dear Trent,

Nice to hear from you after all this time. Now that I am aware that your JFK Assassination Committee is not, as I had thought, defunct, I am glad to enclose my check for \$50.00, paid by Dick Sprague on our old wager on the identity of the tramp in the Dealey Plaza photograph.

Please note that check is dated the 30th of this month, by which time my March salary will have been deposited. Before then, it just might bounce! So please hold the check for the interval.

Kindest regards,

Yours sincerely,
